BRAGG'S INDIAN QUEEN VEGETA-BLE SUGAR COATED PILLS, The Great Popular Medicine

Of the day---Vast amount used per month---The numerous and Wonderful Cures it effects--- Its Magical Effect upon Bilious Fevers, and Fever and Ague---Great Excitement among the Doctors! HE INDIAN QUEEN VEGETABLE SUGAR COATED PILLS SES

now admitted, on all hands, to be the most extraordinary and valuable medicine in general use. It not only acts as a specific upon Bilious and Typhus Fevers, Chills and Fever, and Fever and Ague of the west and south, but in all diseases of debility, weak stomach, indigestion, loss of appetite, impurity of the blood, and all diseases prevalent in a western and outhern climate. Their great ower consists in their peculiar effect upon all the organs of the ystem, and the rapid formation of new and rich blood, which they roduce. In this lies the great secret of their success. They are all and pleasant in their action, but searching and permanent in their effect; penetrating the remotest recesses of the system by their ready absorption into the blood, thereby infusing a new sup-ply of vitality and nervous power into all the machinery of ide. The extensive popularity they have acquired all over the west and

50,000 Boxes per Month, And we find it difficult, with our large force of hands, and the late improvements in machinery which we have adopted, to manufacture them fast enough to supply the demand in thirteen western and southern States! One large manufactory is constantly engaged in preparing the various concentrated extracts of which they are composed. From the best information we can obtain from our 8,060 seiling agents, and hosts of attentive correspondents in all parts of the country, our medicine cures, per month, not less ill parts of the country, our medicine cures, per month, not less han 10,000 cases of Fever and Ague, one thousand of which have

esisted all other treatment;

,500 cases of Bilions Fever ,300 do of weakness and general debility; of weak stomach and loss of appetite;

do of Dyspepsia; do of Ague Cake, or Enlarged Spleen;

of Typhus Fever; do of Putrid Sore Throat from physicians, agents, and those who use the medicine, from all the western and southern States, satisfy us that this is a moderate estimate, and that our medicine is rapidly taking the place of the various sugar-coated counterfeits which are affoat, and the numer-ous tonic mixtures, made wholly of quinine, which are imposed pon the public by manufacturers who live, nobody knows where? Dr. Bragg's famous Sugar Coated Indian Queen Vegetable Pills e of two kinds-the Cathartic and Tonic. The Tonic pills are seculiarly adapted to the quick and permanent cure of Fever and ague, torpor of the Liver, and general debility. It is in Fever and Ague, Chill Fever, &c., that they achieve their greatest triumphs. trarely requires over twelve hours; or more than haif a box of the tonic pills, to break the chills and effect a permanent cure— which is rarely the case with the tonic mixtures of quinine, hawk I about the country by ignorant pretenders. Those who take he tonic pills will never forsake them.

Who can wonder, then, that a medicine of such extensive popu Great excitement among the Doctors! The prejudices of physicians against their use are at last giving way to the play of reason, and the convictions of every-day experience which they derive from their patients and friends who

Doctors are now almost every day sending orders from every part of the country for a supply of these pills to use in their prac-Here is one all the way from the State of Mississippi, just receivd. Let doctors and the sick look to it, and hasten to procure a supply of this wonderful Tonic :

To Dr. Bragg, St. Louis, Missouri:

Dear Sir-I have to inform you that I have used all our Tonic ills, and therefore pray you to send me another supply immedi-ely, as there is much fever and ague within the bounds of my ractice, and I hardly know how to satisfy and cure my patient I have thoroughly tested your Tonic Pills in my practice through his country, not only in chills and fever, but in real typhoid fever, and have met with such success from their use, that I now find
